ENHANCEMENTS

Flight Simulator

Take off into the wild blue yonder on board our full motion simulator. You will experience an exciting five-minute ride simulation of an F-18 Super Hornet on a training mission. Catapult from the runway of an aircraft carrier much like the Yorktown CV10, complete a bombing mission, dog fighting through a canyon, refuel mid flight and land back safely aboard the carrier. With 15 seats inside, the entire family or group can ride together.

Group Tours

Tour on our many historic aircraft located in the hangar bay and flight deck areas the USS Yorktown. Learn about the historic ship, its crew and more than 20 aircraft that are on exhibit. The tour is about an hour and fifteen minutes in length, but can be customized based on your needs. For more information, email: groupsales@patriotspoint.org
